Money Back in Your Pocket

We don't just collect premiums; we return them to the businesses that earn them.

- **Nearly \$30 million returned to members:** Since 1994, nearly \$30 million has been returned to members when combining dividends and deviations.
- **Consistent Dividends:** Historically, 30% of premiums collected have been returned to our members.
- **Recent Success:** In the last two years alone, we've returned \$900k to our group members.
- **The 25% Rule:** Per MA DOI requirements, dividends are paid out at 25% per year over a four-year period, starting two years after the policy year.

Protection That Actually Protects

We believe the best way to save money is to prevent the accident from ever happening.

- **Expert Oversight:** All services are provided by FutureComp (a division of USI), New England's largest Third-Party Administrator.
- **Unlimited Safety Services:** You get proactive loss control to stop small issues before they become major claims.
- **Industry-Specific Claims Team:** Work with dedicated nurse case managers and claims experts who actually understand your business.
- **Protect Your MOD:** Real-time, aggressive claims management keeps your Experience MOD down and your costs predictable.
